The Sewing Studio Fabric Superstore News

All of us at the Sewing Studio Fabric Superstore have been very busy making and displaying inspiring models and looking for new and different fabrics and trims to make our store a more exciting place to shop. Our Bargain Annex will start filling up again with new bargains for your shopping delight. Laurel Burch's two new cotton lines, approximately 100 pieces will be arriving in March and April. Her new buttons are now in stock (a great idea—cut the shanks off and make 'catty' earrings). New purse handles, loopy fringes and grosgrain ribbons are hot items for 2005. Don't forget to check out our home dec fringes to embellish your purses and totes to get that shabby chic look! Wishing everyone a Healthy Prosperous and Creative New Year.

Happy New Year!

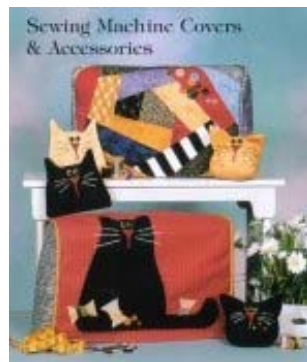

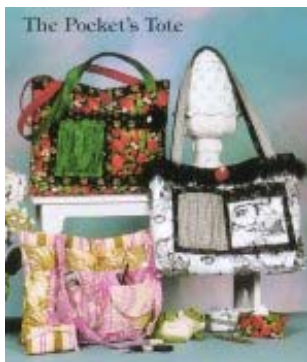

Thanks,

The Staff at the Sewing Studio Fabric Superstore

"COTTON GINNY'S" TRUNK SHOW of loveable purses and accessories

On display from Jan. 15 – 30

Direct from the "Cotton Ginny's" Pattern Company we are excited to share with you their new line of wonderful jazzy and versatile totes and purses. You won't be able to stop at just one! Come and be inspired to sew your next tote.

"GOOSEBERRY HILL" TRUNK SHOW of Designer Kathy Pace's original samples

Twenty-one models on display Jan. 15 - 30

We are excited to have in our store a variety of the most popular samples from "Gooseberry Hill" including baby clothes, quilts, original clothing designs and a variety of gifts for sewers.

During these two weeks we will have available for purchase their line of patterns and a selection of beautiful Victorian prints which can be ironed on just about anything! These prints, including gardens, cottages, women and children, can be used in quilts, garment embellishments or framed. You iron the

image onto your polyester fabric and it dyes the fabric, so it is a soft image which can be embellished with silk ribbon if desired.
